

West Hove Golf Club

Social Responsibility Statement

West Hove Golf Club operates with a culture that recognises responsibilities to society to maintain safety and quality in all our operations. We recognise that the golf club's activities affect many people in the local community.

It is the policy of West Hove Golf Club to carry out all measures reasonably practicable to seek to meet, exceed or develop all necessary requirements to improve the golf club's impact on society.

West Hove Golf Club will comply with all environmental regulations, legislation and approved codes of practice relating to the processes and activities of the golf club.

The aims will be wherever possible:

1. Assess the environmental effects of the golf club's activities in its operation.
2. Reduce the amount of waste produced.
3. Reduce the consumption of raw materials, water and fuels.
4. Reduce and/or limit the production of pollutants to the environment.
5. Limit the noise in and around the site.
6. Support the activities of local organisations and businesses, thus ensuring West Hove Golf Club continues to have a positive impact on the community both in day to day operations and in the future.

West Hove Golf Club will strive to enhance environmental awareness and understanding in all employees, suppliers, customers, sub- contractors and the public. Where possible the club will provide information and assistance to members / visitors / customers on environmental issues arising from its products and services
